Situated on the water's edge, we have a variety of options available to you for your function enquiry however at present we still have a small amount of renovating to do which restricts us from providing ALL options to you. We aim for the renovations to be complete by June 2018 and we do appreciate your patience until we have completed them. Once completed, there will be many more options available to you, so please remain in touch.

The Sunken Monkey Hotel can accommodate as few as 25 to 800 guests.

Please find to follow a copy of the room and menu options for your event. The price of the menu is guaranteed for three (3) months prior to the reception.

Other costs involved will incur a small fee, live entertainment and security (if required) and beverages consumed.

All prices cover a period of five (5) hours from the arrival of guests to the time the bar will close.

For now, all functions being held in the Monkey Bar area on a Friday or Saturday evening will be open to the public at 10pm, however if additional time is required this may be arranged at an additional cost and at Managements discretion at the time.. We encourage you to visit The Sunken Monkey Hotel to view our brand new facilities and look forward to discussing your function requirements with you.
